Quality Statement of FOERSTER

The quality and performance of our products and services form the essential basis between us and our customers. Our products and services are designed to meet the needs of our customers, and we give top priority to the quality of our products and services. As part of the performance assessment of our employees, the quality of the work has particular weight. Every employee contributes to the realization of our quality goals.

Responsibility must be borne by all levels and in all functional areas, with each individual employee being responsible for the quality of his actions and achievements. Deficiencies and unnecessary costs must be reduced. Mistakes are to be dealt with openly and learnt from them. Counter measures must be derived consistently.
