Additional information (not essential):

Currently we use the following testing equipments and systems (from Institut Dr. Foerster and other producers. Please specify also which sensor system is in use).

Only in case of a registration for a service / maintenance training course:

Please observe:

The training is conceived for participants who finished already a electrotechnical education.

I confirm that I have a good knowledge about the operation of the respective FOERSTER testing equipment (please tick a box):

Yes:

No:

I / we agree to the below-mentioned conditions of participation.

Date

Signature / Company stamp

Except when otherwise stipulated the following eligibility requirements are valid:

The participation fee comprised the costs which concern the course schedule and the expenses for the training material for the respective course.

Special handbooks as e.g. operating manuals, installation respectively commissioning manuals or remote control manuals are not part of the training material.

They can, against separate counting, be made available on the occasion of the course.

The costs for the single special handbooks results from the current price list.

In case of service / maintenance training generally the price comprised the service instructions with 50% discount off the valid price list price.

Not included in the price are expenses for transportation costs of any kind as well as the living costs of the course participant (Hotel, food and so on).

In case of demission within 14 days ahead of the start of the course 50% of the course fees can be charged by Institut Dr. Foerster.

The Institut Dr. Foerster reserve one´s right to cancel the course until 14 days before the start of the course!
